→ learning management system(LMS)

- Often called an LMS for short, a learning management system is **a software application that provides the framework that handles all aspects** The Important benefits to learning management systems.
- 1)Makes Learning Super-easy. 2)Provides unlimited access to eLearning materials 3) Consolidate all training information.4)Reduces Learning costs. 5)Integrates social learning experiences.6)Everywhere Learning – not limited by place or time.

How to apply

Steps to be Followed for Admission Registration

The entire process of filling online application form can be completed in Five stages:

Stage 1:

1. Please visit the admission referral link provided by University.

The screenshot shows a web browser window with the URL <https://online.mmumullana.org/auth/signup/applicant?referral=ChL6Y>. The page is titled "Sign up" and includes a sub-header "Welcome back, Simply add your details". Below this, there are three input fields: "Name", "Email", and "Password". A red "SIGN UP" button is positioned below the password field. In the bottom right corner, there is a circular logo featuring a portrait of a person, surrounded by text in Hindi.
